

The Scrap Space: Donating Scrap

The Scrap Space is stocked with donations of clean, non hazardous scrap that can be reused for art, craft, play, theatre and DIY. Check out our 'Scrap Wanted' list below for an idea of the kinds of scrap we can currently accept.

We welcome donations from households and businesses. You can drop scrap off at our premises at The Circular Space, 10 Middle Road, Shoreham-by-Sea, West Sussex BN43 6GA at any time we are open. For current opening hours, see www.weareoverthemoon.org/thescrapspace.

There is a dedicated parking space directly outside for scrap drop offs and roadside parking in surrounding roads. If you let us know a time you are coming to drop off a large donation we can make sure the dedicated parking space is free for you. If you are unable to get to us, have a large amount of scrap or wish to arrange a regular collection of commercial scrap, we may be able to come to you, depending on where you are and our vehicle and volunteer driver availability.

Before we accept any scrap donation, we need to check that the scrap is clean, non hazardous and comprises items we are currently accepting. This check may be a visual inspection of scrap brought in or discussion and/or photos by email before donating. Please do not be offended or disheartened if we turn items away. What we can take may vary due to storage constraints and changing demand from customers. Please do not leave items outside The Circular Space when it is closed as this will be classed as fly tipping.

We are happy to provide commercial donors with feedback such as public thanks and testimonials for purposes such as corporate social responsibility arrangements and PR. Just let us know your requests and we will see what we can do. Remember that donating scrap will help your business reduce waste, save money, help the environment and make links with your local community!

We are registered as a lower tier waste carrier, registration number CBDL363036.

For any queries about donating scrap, please email thescrapspace@gmail.com or come into the The Scrap Space for a chat.

Scrap Wanted (this is not an exhaustive list but just a rough idea of the kinds of things we can make use of):

art materials	canvases	craft kits
badges	card making supplies	craft shapes
