

Booking activities @ The Circular Space

For your first time booking a particular activity, if possible please do it through the website at www.weareoverthemoon.org/upcomingevents. The registration form there gives us an ordered record of your details so we can easily let you know if anything needs to be cancelled at the last minute and easily access emergency contact details for dropped off children. You can pay by card or by BACS (by choosing the 'Manual Payment' option to get your electronic ticket and then making the BACS payment afterwards). We would prefer you to pay by BACS as this saves us hefty card processing charges.

If you can't book through the website for any reason, you can instead email your booking request to weareoverthemoon@gmail.com. If you wish to book a free place as a universal credit recipient please also request this by email.

For repeat bookings once we have your details on record, you can just make a BACS payment with the day of the week and activity attendee first names as the reference, or talk to us when you are at The Circular Space and make a payment by card or cash while you are there.

Bank details for BACS payments are: Over the Moon Shoreham C.I.C., account number 27131645, sort code 60-19-17.

Activities are provided by a mixture of paid practitioners and volunteers. We try to keep activity charges as low as possible. Any income goes towards paying the paid practitioners, building running costs and when we really can't scavenge what we need (which is rare!), materials costs.
